

Why I should get an iPod touch for Christmas

First Reason

- ∞ I don't have anything like it to entertain me in restaurants except for the old iPhone which isn't as cool as the iPod touch.

Second Reason

- ⌘ Maewyn has one and I am older than her so I should have one too. (Even if she paid for some of it, but I don't remember if she did or not.)
- ⌘ 2001 < 1997 (in years context)(practically a senior citizen because I was born before 21st century!!!)

Third Reason

☞ I can stop bothering Maewyn if I can use hers.

☞ Example of the Bad Conversation:

K: “Maewyn can I use your iPod touch?”
(Maewyn ignores me)

K: “MAEWYN”

Mom: “Answer your sister!”

M: “What?!”

K: “Can I use your iPod touch?”

M: “NO!”

K: “Why not?”

Mom: “ Girls stop arguing!”

K: “:(“

Third Reason Continued

☞ Example of a Good Conversation:

K: “Maewyn where is my iPod touch?”

M: “In your room on your desk.”

K: “Thank you.”
(Kinnamon goes to get her iPod touch.)

Mom: “Good job cooperating with your sister.”

M: “Thank you.”

Fourth Reason

- ❧ I deserve one 😊
- ❧ A) I work hard in school.
- ❧ B) I am the keeper of awesome sauce.

Even though it is 200.00 for the 8gb
I hope you consider my
proposition
